ALL PARENTS / GUARDIANS	
Adequate supervision and guidance must be extended to your son/daughter. The school highly recommends that study habits be established by advising your son/daughter to devote a minimum of two to two and a half hours a day of study. Marks alone do not give the reason for unsatisfactory work. The school seeks for your cooperation so that both teacher and parents may work together for the good of your child. You are invited to visit the school and confer with the teacher and principal over the difficulty.
