Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

The applicant, ABY C.JAVIER, is very known to me as she belonged to my class advisory during her 10th grade under the Science Technology and Engineering curriculum. She has shown a very good moral character and excelled both in academic and non-curricular activities consistently during her stay in this school. She has served as treasurer of the Supreme Secondary Leadership Government and has actively and passionately performed her duties in the school community. Often seen as one of the volunteers in tree-planting, clean-up drive and some other activities we have in school and in the community. As journalist, she was awarded as Patnugot ng Opinyon in our official Filipino News Publication -Ang Balangaw. Despite their financial challenges, she was able to maintain good academic standing from junior to senior high school. Her mother died while she was in elementary and his father as single parent and sole breadwinner is serving as company driver with salary just enough to feed four members of their family who are all schooling. I highly recommend with absolute confidence ABY C.JAVIER for any financial or scholarship grant your foundation may give her to pursue her dreams. Surely you will not regret on helping her. Thank you so much in advance. God bless and more power!
