LETTER OF RECOMMENDATION

September 28, 2026

To Whom It May Concern:

I am pleased to recommend Y Meh P. Arpafo for recognition and consideration for Peace Corps Alumni Foundation for Philippine Development (PCAFPD) Scholarship Program.

I have had the opportunity to witness her active involvement in our community and her commitment to serving others. As a young leader, She has demonstrated responsibility, initiative, compassion, and a genuine willingness to contribute to the welfare and development of the community.

Through her participation in various community activities, youth programs, volunteer initiatives, sports, disaster preparedness activities, and other civic engagements, Ms.Arpafo has shown that leadership is not simply about holding a position—it is about being willing to serve, take responsibility, and inspire others to become involved.

Ms.Arpafo has consistently demonstrated the ability to work with fellow youth, community leaders, volunteers, and residents. She willingly shares time, skills, and energy in activities that promote youth empowerment, community involvement, education, public service, and social responsibility.

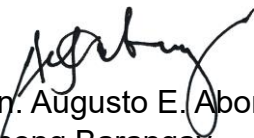

Her dedication serves as a positive example to other young people and demonstrates the important role that the youth can play in building a stronger and more responsible community.

I believe that young people like her are valuable partners in community development. I am confident that she will continue to contribute meaningfully wherever she may serve.

I therefore highly recommend Y Men Arpafo that her community service and leadership be given due recognition.

Should you require further information regarding her participation and service to the community, I would be pleased to provide the necessary assistance.

Respectfully yours,

Hon. Augusto E. Abong
