Recommendation

To the Board of Scholarship Selection,

Good day!

It is with pleasure that I recommend Michael F. Morgan for your scholarship program. I knew him as his teacher of General Mathematics and Statistics and Probability when he was in Grade 11, and through my being Teacher-in-Charge of the Registrar's Office. In these positions, I have seen Mr. Morgan's academic ability, leadership potential, commitment to service and exemplary character.

Mr. Morgan has demonstrated dedication to his studies and an admirable sense of responsibility. He is diligent, persistent and enthusiastic about academic work and pushes himself to go beyond understanding concepts and meeting requirements. His performance in class reflects his intellectual capacity, his solid work ethic and his determination to succeed regardless of the circumstances.

Mr. Morgan has also shown great leadership outside the classroom. He is willing to lead our class activities and gets along well with his classmates. He influences his classmates positively. I've seen him grow up, shoulder some responsibility and inspire others to common goals. These qualities make him a dependable leader and a role model in our school community.
