

RECOMMENDATION LETTER

To whom it may concern,

I am Saanoddin A. Abdussamad, a Principal at Ma'had Muslimah Al-Islamiah. I have known Niharah A. Raupan for nine years as my student.

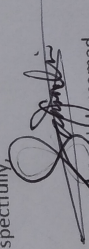

During the time I taught her, I saw that she is respectful, responsible, hardworking, and willing to help others. She actively joins school activities and is not afraid to volunteer. I remember when she became a leader during their Pangadian activity, where she represented her grade level and spoke for her classmates. She also showed leadership when she was in elementary school by guiding her group members and encouraging them to participate.

I have also seen how dedicated she is to her studies even when she faces financial challenges. She remains determined, humble, and hardworking.

Because of these qualities, I sincerely recommend Niharah A. Raupan for this scholarship. I believe this opportunity would help her continue her studies and support her goal of helping her family and community.

I am happy to give her my full support and recommendation.

Respectfully,

Saanoddin A. Abdussamad
