Recommendation

To Whom It May Concern:

I would love to recommend **Daniel Magsalin Jr.**, a dedicated and exemplary student journalist of **Gen. Ricardo G. Papa Sr. Memorial High School – Annex**, for his outstanding contributions to our school's journalism program, particularly in **English Broadcasting**.

During his Junior High School years, Daniel developed strong technical skills and expertise in broadcasting and willingly shared his knowledge with fellow student journalists. His expertise became especially valuable when our school established its English broadcasting team. He played an important role in training and preparing our student journalists who participated in the **Division School Press Conference during School Year 2025–2026**.

His support continues to this day as he guides and trains student broadcasters, patiently sharing his knowledge and helping them develop their skills and confidence. Beyond his technical abilities, Daniel is a **humble, diligent, kind, and responsible student** who willingly assists his adviser and schoolmates whenever needed. His positive attitude, initiative, and willingness to serve have contributed significantly to the growth and development of the **Crimson Links**, the official school publication of Gen. Ricardo G. Papa Sr. Memorial High School – Annex.

Daniel has also demonstrated that excellence in **academics and extracurricular activities** can go hand in hand. Despite the time and effort, he devoted to journalism and broadcasting, he maintained strong academic performance and was included in the **Honor List during his Grade 11 year**.
