Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am honored to recommend Nesle Faith Diaz, a first-year Bachelor of Science in Accountancy (BS Accountancy) student of Western Institute of Technology (WIT), for the PCAFPD Scholarship Program.

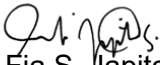

As the NSTP Coordinator, I have had the opportunity to interact with Nesle Faith and observe her attitude, sense of responsibility, and commitment as a student. She has demonstrated respect, discipline, willingness to learn, and a positive attitude in fulfilling her academic and school-related responsibilities.

Nesle Faith is a promising student who shows determination in pursuing her education and developing herself academically and personally. Her choice to pursue Accountancy reflects her commitment to building a meaningful professional future. I believe that financial assistance through the PCAFPD Scholarship would be a valuable support in helping her continue and complete her studies.

Based on my observations, I believe that Nesle Faith is deserving of consideration for this scholarship. I am confident that she will value this opportunity, remain committed to her studies, and strive to become a responsible and productive member of community.

I therefore wholeheartedly recommend Nesle Faith Diaz for the PCAFPD Scholarship Program and respectfully request that her application be given favorable consideration.

Thank you so much and may God bless us all!
