Recommendation

I am pleased to recommend Mr. Mark Angelo Nilo for your scholarship program. I have known him for 3 years, and during this time, I have seen his strong dedication to community service, especially in participating actively in barangay cleaning activities organized by our local officials. What makes Mr. Nilo stand out is not only his willingness to join but also the genuine passion and eagerness he shows in helping out.

He always goes beyond just attending the activities. In every barangay clean-up drive, he willingly lends a hand to other volunteers and even stays longer to make sure the work is completely done. This shows his sincere concern for the community and a strong sense of responsibility. Moreover, his positive attitude and helpfulness encourage others to join and work together for a cleaner and better environment.

It is clear that Mr. Nilo does not see these activities as mere duties, but as meaningful chances to contribute to the community. His kindness and leadership skills are evident in these efforts, making him a very deserving candidate for your scholarship. I am confident that he will continue to show the same passion and dedication in all his future undertakings.
