Recommendation

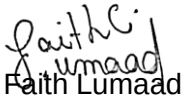

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am writing to formally recommend Marian Ericka Serdoncillo Rivera for your scholarship program. Marian is a 17-year-old resident of Caucab, Almeria, Biliran, and is currently a senior high school student at the Biliran Province State University Laboratory High School.

I strongly believe Marian is highly deserving of this scholarship assistance due to both her exemplary academic performance and her current family circumstances. She is a consistent honor student who has demonstrated outstanding dedication to her education. Raised in a single-parent household with three siblings, she is currently under the care of her grandmother while her mother works hard to support the family as a dressmaker.

Despite these financial challenges, Marian continues to excel academically. Providing her with this scholarship will significantly ease her family's financial burden and allow her to pursue her educational aspirations.

Thank you very much for your time and for considering this application. I highly hope for your favorable action on this request.
