Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

To whom it may concern,

I am pleased to recommend Aveona M. Diamante for the PCAFPD scholarship offered by your foundation. Ms. Diamante has been my student since the school year 2026-2027 as her class adviser and research teacher for the pilot section Hackmanite, and I currently serve as the adviser for the Service of God Ministry. As her teacher, I am proud to say that she possesses the character and determination of a scholarship student who can maintain her academics and leadership.

Despite her quiet nature, her leadership skills are highly noticeable to her classmates and fellow organization members. She leads by example, promoting proper communication within the team and ensuring that any sort of conflict is resolved immediately. She is an advocate for communication, transparency, and being the voice of the students, which I believe is essential in building a better community. As she currently serves as the head of the Multimedia Board and the executive layout artist for the Youth Entrepreneur Society (YES), Ms. Diamante has been fulfilling her role and responsibilities as a student leader.

With her passion and dedication to serving others, Ms. Diamante expressed her commitment to pursuing a Bachelor of Science in Accountancy as her future course. With this decision, I can see her devotion to serving the community for its development by ensuring and implementing transparency in bookkeeping. She has shown her genuine concern for its citizens by participating in community outreach programs since kindergarten at her previous school.

As her advisor, I have witnessed her ability to sustain her academics while maintaining her leadership. Through this scholarship program, I firmly believe that my student, Ms. Diamante, is a strong candidate, given her perseverance in accomplishing higher goals; she views failure as a lesson to grow, adapt, and improve. Being a student leader has been her mission, and serving others has been her vision.

Sincerely,
