Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Dear Scholarship Committee,
Greetings of Peace and Prosperity!

I am writing this letter to recommend my former student **MR. Jazter B. Cawaling** for the Peace Corps Alumni Foundation for Philippine Development (PCAFPD) Scholarship Program. As his former teacher and class adviser for two (2) consecutive years at Taguig Science High School-Senior High Department, I have had the pleasure of teaching and mentoring Jazter during his senior high school year in the Science, Technology, Engineering & Mathematics (STEM) program. MR. Cawaling is one of the excellent student with a profound passion for electronics. His academic performance has been exemplary, consistently achieving good grades in his coursework, particularly in subjects such as physics and basic electronics. He demonstrates not only a strong grasp of engineering principles but also a keen ability to guide his peers in groupwork settings. Beyond his academic achievements, Jaster's involvement in extracurricular activities reflects his dedication to the field. He has successfully obtained different academic/research awards in school. He finished with honors of his batch, showcasing his teamwork, leadership skills, and commitment to making a positive impact in the community.

Jaster possesses a strong work ethic and determination that I believe will serve well in his future studies and career. He approaches challenges with a positive attitude and resilience, and continually seeks opportunities to expand his knowledge and skills in electronics engineering. I have no doubt that he will excel in his studies and make significant contributions to the field.

In this regard, I strongly support Jazter Cawaling's application for the Peace Corps Alumni Foundation for Philippine Development (PCAFPD) Scholarship Program. For he embodies the qualities of a dedicated and promising electronic
