Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

To the PCAFPD Scholarship Committee:

I am pleased to recommend Ashley Nicole Sagum as an applicant for the PCAFPD Scholarship. Throughout her years in high school, she has demonstrated strong academic performance, commitment to community service, and willingness to take on responsibilities within the school and community.

Academically, she has consistently demonstrated dedication to her studies. She earned With Honors from Grade 7 to Grade 10 and achieved With High Honors in Grade 11. In Grade 11, she ranked 8th out of 76 students in the STEM strand and 13th out of 220 students in her batch. These accomplishments reflect her perseverance and commitment to achieving her academic goals, particularly as a STEM student preparing for an engineering-related course.

Beyond academics, she has actively participated in various volunteer and school activities. As an SDRRMC (RCY-BERT) volunteer, a school-based health and safety organization, she performed weekly duties at school and assisted during Brigada Eskwela. Through YES-O, an environmental organization, she assisted during Brigada Eskwela and helped organize the school's Intramurals Club Fair. She has likewise been involved as a volunteer in the STEM Club, which focuses on science and technology, and the Balintataw Club-PHS Publication, which focuses on journalism and school publication. These experiences demonstrate her willingness to contribute her time and effort to activities that benefit the school community.

She has also shown that leadership is not limited to holding a formal position. Her participation in different school organizations and activities has allowed her to work with others, fulfill responsibilities, and contribute to school programs. Her consistent involvement in service-oriented activities reflects her sense of responsibility and commitment to her community.

In addition to her academic achievements and community involvement, her family has financial circumstances that make scholarship assistance particularly meaningful. Her parents' combined gross annual income is approximately ₱120,000. Financial support through the PCAFPD Scholarship would help lessen the financial burden of pursuing her education and allow her to continue working toward her academic and career goals.

Based on her academic accomplishments, involvement in community service, and demonstrated commitment to her education, I believe this student is a deserving applicant for consideration for the PCAFPD Scholarship. I am confident that she will continue to demonstrate dedication, responsibility, and service as she pursues her higher education.
