Applicant Information: Use additional pages as needed

Name: Kate Niña Jean D. Acabo

Current School: AMA Computer College Dumaguete

Recommendation

It is with great pleasure that I recommend Kate Niña Jean D. Acabo for the PCAFPD Scholarship Program. As a licensed architect and professional mentor, I have had the opportunity to guide and observe Kate as she continues to develop her skills, character, and aspirations. Through our interactions, I have come to know her as a hardworking, responsible, and determined young individual with a genuine desire to learn and grow.

Kate consistently demonstrates a strong work ethic and a willingness to improve herself. She approaches the responsibilities entrusted to her with dedication and seriousness, and she does not easily give up when faced with challenges. Instead, she takes difficulties as opportunities to learn, showing perseverance and a positive attitude in pursuing her goals.

What particularly stands out to me about Kate is her character. She is respectful, humble, dependable, and considerate toward others. She communicates well, accepts guidance with an open mind, and demonstrates a willingness to learn from those with more experience. Her attitude toward learning and self-improvement reflects a level of maturity that I believe will serve her well in both her academic and future professional endeavors.

As her professional mentor, I have also observed Kate's growing sense of responsibility and initiative. She is receptive to constructive feedback and makes an effort to apply what she learns. She demonstrates the ability to work independently while also collaborating effectively with others. These qualities are important not only in professional environments but also in becoming a responsible and productive member of society.

I have also seen in Kate a genuine desire to build a meaningful future for herself and to use her education as a means of creating positive opportunities. She possesses determination and a strong sense of purpose, and I believe that continued education and mentorship will help her further develop her potential and achieve her aspirations.

I wholeheartedly recommend Kate Niña Jean D. Acabo for the PCAFPD Scholarship Program. I believe that this scholarship would provide valuable support in her educational journey and would allow her to continue pursuing her goals with greater opportunity and confidence. I am confident that Kate will approach this opportunity with the same dedication, humility, and perseverance that she has consistently demonstrated.

Thank you for considering her application. It is my sincere pleasure to support Kate's pursuit of this scholarship.

Respectfully,
