Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Ronie is an active and foundational member of our youth ministry. His leadership shines brightest in his dual role as a tambourine dancer and Sunday school teacher, where he responsibly serves both kids and fellow youth. This unique responsibility requires a high level of adaptability, patience, and maturity. Ronie stands out because he possesses a rare ability to connect and communicate effectively across all age groups, making him a trusted mentor and a unifying figure in our community.

What truly sets Ronie apart is his unwavering commitment to his morals and values. Despite his young age, he possesses a strong ethical compass and refuses to compromise his integrity under pressure. He views his talents, time, and resources not just as personal achievements, but as blessings to be managed wisely. This mindset makes him a highly dependable, accountable, and faithful leader. His deep-seated belief in doing the right thing, even when no one is watching, gives us full assurance that he will treat his education and this scholarship with the utmost respect and dedication. It has no doubt that he will maximize this opportunity to build a bright future and continue giving back to the community. He has my highest, unreserved recommendation.
