To the PCAFPD Scholarship Selection Committee:

I became Ma. Theresa's teacher in Grade 11, and I found her to be a diligent and responsible student. She is quiet and shy, but she consistently tries her best, especially in completing her tasks. I have seen the effort and care she puts into her work, and I appreciate her dedication to doing her responsibilities well.

She is also willing to volunteer and be involved in school organizations, particularly in journalism. She is now one of the aspiring journalists of Pamplona National High School. For me, this shows her willingness to take on new challenges, develop her skills, and contribute to the school community.

I believe her diligence, willingness to learn, and quiet determination are qualities that will help her grow. She is a student who may be reserved, but she is hardworking and committed to what she does. I believe she deserves the opportunity to further develop her abilities and use them to contribute to her school and community.
