### Recommendation

The applicant, Ms. Deniel Louise Sarsonas is a born leader, goal-oriented, passionate and an action woman.

In her junior high school years, her passion to serve and lead was already evident. She was elected as Grade 9 level representative and received trainings. She participated in school review and plan adjustments every quarter. Further, she also served as vice president, with the same initiative to lead her fellow students.

Her desire as a student leader continued when she was in senior high school. As the Grade 11 representative, she took part in an outreach program for daycare students. Moreover, she hosted a symposium for children's month, which focused on Anti-Online Sexual Abuse or Exploitation of Children (OSAEC) and Anti Child- Sexual Abuse or Exploitation Materials (CSAEM). This is timely and relevant to the community, and indeed helped in spreading awareness and fostering community engagement.

She actively participates in causes like HIV awareness, nutrition month events and giving back to the institution like Brigada Eskwela.

Outside the school, the applicant makes sure that she uses her time and energy in community organizations like Barangay Children's Association, where she functions as the vice president. Some of the meaningful programs implemented were mental health awareness symposium and training, and National Children's Month celebration, where she was also awarded as Reading Coordinator.

Furthermore, she is also a part of the Kabataan sa Kartilya ng Katipunan as the Director for Regional and External Affairs. Some of their notable accomplishments were the conduct of United Nations Sustainable Development Group, Youth Organization Registration Program, and conduct of National West Philippine Sea Summit and Mural Festival. She took her oath as National Member and Regional Officer.

Her concern and love of nature is also part of her being, as she endeavors to promote treeplanting and outreach programs, as a member of the Pag-asa Youth Association of the Philippines.

Her utmost desire to make a difference is not only seen through awards, certificates or recognition. It is truly visible in her relentless efforts in making a difference wherever she is. She inspires the people around her to put the welfare of other people first, and be resolved in extending help whenever possible.

Her full schedule still has a room for academic excellence, as she consistently reaps awards for her diligence and competence.

Having said all of these, it would be great if Ms. Deniel Louise Sarsonas will be given a chance to continue her further education, and be an instrument in making a difference in the community.
