Recommendation

I am pleased to recommend **Laica Shane Matias Fernandez** for the PCAFPD Scholarship. As her adviser in the **Aspiring Accountants Entrepreneurs Society, or ACCENTS**, I have had the opportunity to witness her growth as a student leader and to see the dedication and responsibility she brings to every role she takes on.

Laica is a former **Public Information Officer and President of ACCENTS**. In these positions, she demonstrated strong leadership, initiative, accountability, and the ability to work well with others. She was dependable in carrying out her responsibilities and showed genuine concern for the welfare of her fellow students. Her leadership was not simply about holding a position. She consistently showed a willingness to listen, cooperate, and contribute her time and effort for the benefit of others.

What makes Laica particularly deserving of this opportunity is her perseverance. Despite experiencing significant personal and financial challenges, she continues to pursue her education with determination. She has found ways to help support her own educational needs while maintaining her academic responsibilities and involvement in leadership. Her circumstances have not prevented her from striving for excellence or from looking for ways to help those around her.

Laica also understands that leadership comes with responsibility. She leads by example through her discipline, humility, and willingness to serve. Her experiences have helped her develop maturity, resilience, and a strong sense of accountability. I believe these qualities will continue to guide her as she pursues her degree in Accountancy and prepares for her future career.

From what I have observed, Laica is not only a student with ambitions, but a young leader who wants her education to have a meaningful purpose. She hopes to use her future knowledge and skills to contribute to her family and community and eventually serve the country.

I sincerely believe that supporting Laica through the PCAFPD Scholarship would be an investment in a hardworking student who has demonstrated both leadership and a genuine commitment to service. I wholeheartedly recommend her and believe she will make good use of the opportunity given to her.
