Recommendation

As the teacher of Ms. Allyssa Tinamisan, I have personally witnessed her growth as a student and as a young leader. She consistently exhibits strong leadership, a sense of responsibility, and genuine dedication to her duties.

Ms. Tinamisan served as an SSLG officer for two consecutive years, where she fulfilled her responsibilities with commitment and a sincere desire to serve her fellow students. She is a dependable and trustworthy leader who carries out her tasks with integrity and dedication.

Aside from her role in the SSLG, she is often chosen by her classmates to lead various school activities. She is recognized for her effective communication skills, ability to collaborate, and her patience and respect in dealing with different personalities. She understands that true leadership goes beyond a position; it is about listening, cooperating, taking initiative, and extending help to others. This positive attitude has allowed her to work harmoniously with her peers and contribute significantly to school programs.

Academically, Ms. Tinamisan is a consistent honor student, a testament to her perseverance, discipline, and strong commitment to her studies.

What I admire most about her is her positive influence on those around her. She upholds good values and serves as a role model to her classmates. Through her leadership, academic excellence, and service, she has made valuable contributions to our school community.

I firmly believe that Ms. Tinamisan embodies the qualities of a deserving scholar — responsible, persevering, academically committed, and compassionate toward others. I am confident that given the opportunity, she will not only achieve her personal goals but will also use her education and leadership to positively impact her community.
