Name: Cassandra A. Montaras
Science Integrated School

Current School: Calamba City

Recommendation

To the PCAFPD Selection Committee,

It is with absolute confidence and enthusiasm that I recommend Ms. Montaras for the Philippine Corps Alumni Foundation for Philippine Development (PCAFPD) Scholarship. While she comes from a middle-class background, her extraordinary drive, intellectual rigor, and unwavering commitment to excellence set her apart as a truly deserving candidate.

Ms. Montaras has consistently proven her dedication to academic excellence. As a consistent honor student and a distinguished quiz bee contestant, she has repeatedly brought pride and honor to our institution. However, her capabilities extend far beyond scholastic achievements. As an inspiring leader in the Youth for Environment in Schools Organization (YES-O), she leads with integrity, vision, and purpose.

What truly sets Ms. Montaras apart is her deep heart for service. Her active involvement in diverse community service projects, both within and beyond the school campus, reflects a genuine commitment to empowering others and creating meaningful change. She does not merely participate; she leads with empathy and action.

Investing in Ms. Montaras means supporting a young leader who will undoubtedly yield immense returns for her community and the nation. I strongly endorse her application without reservation.

Sincerely,

Percy Roy P. Roa
