School: Mariano Marcos Memorial High School
Email: irene.motol@deped.gov.ph

Applicant Information
Name: Efren IV M. Reyes
Current School: Polytechnic University of the Philippines - Santa Mesa

Recommendation:
To Whom It May Concern,

I am Irene M. Motol, a teacher at Mariano Marcos Memorial High School, and I am pleased to recommend Efren IV M. Reyes for consideration for the PCAFPD Scholarship. I have had the opportunity to know him as a member of the Rover Scouts, where he has consistently demonstrated responsibility, discipline, leadership, and a genuine commitment to serving others.

As a Rover Scout, Efren has actively participated in various community service and scouting activities. He has willingly devoted his time and effort to initiatives that support the school and the community, demonstrating the values of service, leadership, cooperation, compassion, and civic responsibility. His involvement in community service reflects his willingness to contribute beyond his personal interests and to make a positive difference in the lives of others.

I have also observed his ability to work responsibly with fellow scouts, adult leaders, and members of the community. He approaches assigned tasks with dedication and demonstrates respect, initiative, and perseverance even when faced with challenges. These qualities are consistent with the ideals of Rover Scouting and are important foundations for academic success and personal growth.

I believe that Efren is deserving of scholarship support. The opportunity will help him pursue his educational goals while continuing to develop his potential as a responsible student, leader, and community servant.

I therefore strongly recommend Efren IV M. Reyes for the scholarship and respectfully requested that his application be given favorable consideration. Should you require further information regarding his character, participation, or community service, I would be pleased to provide it.

Sincerely,

IRENE M. MOTOL
Teacher I / Rover Scout Coordinator
Mariano Marcos Memorial High School
