Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

To the PCAFPD Scholarship Committee,

It is my distinct privilege to recommend Sakia May S. Ahito for the PCAFPD Scholarship. Throughout her secondary education at Efraim Clareza National High School, Sakia has consistently demonstrated outstanding academic discipline, strong moral character, and an unwavering commitment to student leadership and community service. Sakia's trajectory in student governance reflects the deep trust and respect she has earned from her peers and school administration.

After serving as the Supreme Secondary Learner Government (SSLG) Auditor (S/Y 2022–2023) and Vice President (S/Y 2024–2025), she was elected to serve as SSLG President for two consecutive school years (S/Y 2025–2027). Her leadership extends well beyond the campus level, having served as Vice President (S/Y 2025–2026) and subsequently as President of the Tigaon District Federated SSLG (S/Y 2026–2027), as well as the Secretary for the Division Federated SSLG (S/Y 2026–2027). This dedication to student representation began early during her elementary years at Daniel A. Avena Elementary School, where she served as the Supreme Pupil Government (SPG) President (S/Y 2020–2021).

In addition to her governance responsibilities, Sakia is a highly articulate communicator and advocate. As the Editor-in-Chief of Kuntil-Butil, the official Filipino school publication of Efraim Clareza National High School (2024–2026), and a writer for BRAVO Camarines Sur 2025, she has used campus journalism to foster informed dialogue, critical thinking, and student engagement.

Across her district and division leadership roles, she has actively spearheaded community outreach, youth empowerment projects, and student welfare initiatives. As a Grade 12 HUMSS student, Sakia remarkably balances her extensive organizational duties with academic excellence, demonstrating mature time management, integrity, and resilience. She truly embodies the core values of the PCAFPD Scholarship—academic diligence, proven leadership skills, and a heartfelt commitment to community impact. I recommend Sakia May S. Ahito without reservation.
