Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

Mary Antonette Dadis is an active youth in our municipality. She makes use of her time well by volunteering to be part of Special Program for Employment of Students (SPES), assigned in Department of Interior and Local Government. Throughout the engagement, she showed dedication, discipline, and a strong sense of responsibility.

She is also a member of Katipunan Youth Program, actively engaging in learning about governance and community service. Guided by her faith, Antonette believes that leadership is service. She works together with the Catholic Church, empowering the voice of the youth with hearts rooted in faith.

Antonette is widely known in our municipality as a kind, diligent, and smart young individual. She treats others with compassion and consistently strives for excellence. She comes from a humble background, yet despite this, she has never let her circumstances hinder her from pursuing her goals and serving her community. Instead, it has made her more determined, hardworking, and grateful.

Antonette has attended numerous seminars such as Inkblots in UST-Manila, Facts First: A Roadshow by Rappler, and National Council for Children's Television (NCCT) Masterclass.

She has also spearheaded events that empower Ocampoanon children to use their writing skills to write compelling articles. She uses her platform to encourage the elementary students from different barangay elementary schools in Ocampo.

Antonette has also never failed me when I ask her to do some volunteer work in the Barangay Health Office along with our Barangay Health Workers. She has been quite of a help especially in managing documents and doing some work on publication materials.

She is also a loving daughter. She is family-oriented, keeping a close bond between her, her mother, and her grandmother. With her heart for faith and service, perseverance despite challenges, and commitment to the youth, I am confident that Mary Antonette Dadis will be a valuable asset to you.

Further, I believe that the grant of this application will help her attain her goals in life, help her family, and surpass life's challenges that comes along way, especially financial matters, for she comes from a low-income household. This once in a lifetime grant will help her fully achieve the best version of herself—an accomplished dreamer and soon a contributor of PCAFPD.
