Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

As her Grade 11 Class Adviser during S.Y. 2025-2026 at Sta. Lucia National High School – Capas, Tarlac, I personally witnessed her determination, strength, and capability to lead. She served as my Class President, and I saw how well she managed her time and handled unexpected situations with maturity.

She is one of the top students of our class and shows consistent academic excellence despite challenges. She organized our classroom effectively and led her classmates with respect and responsibility. As the Filipino Club President, she successfully organized our school-wide Buwan ng Wika celebration, where I witnessed how she handled and led school programs that involved the whole school community.

She also joined our school pageant during Grade 11 and won the title. I was there with our whole advisory class as her support system, and I saw her dedication and hard work to win it. She stood on stage with confidence and answered questions with intelligence and grace.

This girl is not just an ordinary student. She is capable of leading, very adaptive to her environment, and a very hardworking student. She remained positive, focused, and determined to finish her studies despite financial difficulties.

I highly and sincerely recommend her to be part of your scholarship program. This will be a great help to her and her family, and I believe she has the potential to become a good leader and a professional in the future if given the right support.
