To the PCAFPD Scholarship Committee,

I am pleased to recommend Cathlene Joyce H. Torres, a resident of Barangay Ragandang, Lebak, Sultan Kudarat, for the PCAFPD Scholarship.

As a Sangguniang Kabataan- Representative of Barangay Ragandang, I have known Cathlene since she was little and observed her character and her participation in our community. During this time, Cathlene demonstrated respect especially for elders and her willingness to participate in our barangay activities.

Cathlene has actively participated in the Youth Development Session for the Pantawid Familyang Pilipino Program held in our barangay. She also joins barangay pageant and won and is actively participating in barangay sports events. Through these activities, she demonstrated confidence, cooperation and willingness to participate in programs that brings not just young people but the entire barangay together in the community.

Based on my personal knowledge of Cathlene, she possesses the character, leadership and commitment to service. Despite the challenges that Cathlene may face, she remains determined to pursue higher education and achieve her goals. I believed that this opportunity will surely help her and her family to support her pursuit of higher education and future service to our barangay and community. I believed that this opportunity will surely help her and her family to support her pursuit of higher education and future service to our barangay and community.

I therefore recommend Cathlene Joyce H. Torres for the PCAFPD Scholarship. She is highly deserving for this once in a lifetime opportunity.

Respectfully,

Blanch V. Chavez
