Recommendation

I am writing to enthusiastically recommend Mariel Siriban for the Peace Corps Alumni Foundation for Philippine Development (PCAFPD) Scholarship. As her Department Head, I have witnessed firsthand her dedication to academic excellence, proactive leadership, and genuine desire to serve others.

Mariel is an exceptional student who consistently displays diligence, critical thinking, and resourcefulness in the classroom. She maintains high academic standards while actively participating in hands-on projects. Her ability to analyze complex problems and apply practical solutions reflects a level of maturity well beyond their years. She comes from a modest background and faces financial challenges that make pursuing higher education difficult. Despite these obstacles, she has remained determined and focused on their goals. Securing the PCAFPD Scholarship would relieve a significant financial burden, enabling her to achieve her educational aspirations and maximize her potential to contribute meaningfully to society.

I am confident that Mariel possesses the integrity, drive, and vision that the PCAFPD Scholarship program seeks to cultivate. I support her application without reservation and urge the committee to give them full consideration.
