Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am honored to recommend Nikka Charmel L. Dimapilis, a student of Lemery Senior High School and a member of the School Disaster Risk Reduction and Management (SDRRM). Her involvement in the organization reflects her commitment to promoting safety, preparedness, and responsibility within the school community. During her participation in SDRRM activities, she has demonstrated qualities that are essential in community service, including dependability, cooperation, discipline, and willingness to learn. She approaches her responsibilities with seriousness and understands the importance of being prepared, particularly in situations that require proper coordination and responsible action. Her experience as an SDRRM member has also allowed her to strengthen her ability to work with others and contribute to activities that benefit the school community. She is respectful of established procedures, receptive to guidance, and willing to perform tasks assigned to her. These qualities demonstrate her growing sense of accountability and her capacity to contribute meaningfully as a student leader. Beyond her organizational involvement, Nikka shows potential for continued personal and academic development. Her participation in SDRRM demonstrates that she values not only her own growth but also the importance of serving and helping others. I believe that providing her with an opportunity through the PCAFPD Scholarship would further encourage her to pursue her educational goals while continuing to develop her leadership and community-service qualities. For these reasons, I respectfully recommend Nikka Charmel L. Dimapilis for consideration for the PCAFPD Scholarship. I believe she has the character, dedication, and potential to make good use of this opportunity and to continue contributing positively to her school and community.
