Recommendation

I am pleased to recommend Alyaser Ambali Hajal, a Grade 12 Academic student of Maluso National High School, for the PC AFPD Scholarship. As her teacher and school coordinator, I have had the opportunity to observe his growth as a student, leader, and responsible member of the school community.

Alyaser is a hardworking, responsible, compassionate, and highly motivated student who consistently demonstrates commitment to academic excellence. He has maintained his status as a With Honors student and has been recognized as an Academic Excellence Awardee.

Beyond academics, Alyaser has actively participated in school leadership and campus journalism. He has served as a class officer and has been involved in the BKD Organization, where he has demonstrated responsibility, cooperation, and leadership potential. He is also a member of the radio broadcasting team and campus journalist, experiences that helped develop his confidence, communication skills, creativity, and sense of responsibility. His achievement as First placer in Campus Radio scriptwritinh and Broadcasting further demonstrates his talent and dedication.

What makes Alyaser especially deserving of consideration is his willingness to participate, serve, and contribute positively to his school community.

I strongly recommend Alyaser Ambali Hajal for the PC AFPD Scholarship. I believe that supporting his education will help him further develop his potential and enable him to pursue his aspirations and eventually contribute meaningfully to his community and society.

Respectfully,

Mohammad S. Julang
