Sir:

Respectfully submitting this letter of recommendation for your consideration.

It is with great pleasure that I write this letter of recommendation for **Mark Lawrence Ortega**, whom I had the privileged of mentoring during his Junior High School years.

Throughout his academic journey**, Mark Lawrence Ortega** consistently demonstrated remarkable determination, zeal and ardor in both his studies and extracurricular responsibilities. He excelled academically while actively serving our school community as the Student Government President, a role in which he displayed exceptional leadership, integrity and commitment to service.

What makes his academic achievements even more admirable is that he was able to accomplish them despite facing limited financial and material resources. Through perseverance, hard work and unwavering dedication to his goals, he successfully completed both Junior High School and Senior High School education with flying colors. His story is a testament to the power of resilience and the ability to overcome challenges through diligence and faith.

Beyond his academic excellence **Mark Lawrence Ortega** possesses strong moral character, leadership skills and a genuine desire to contribute positively to society. He has consistently shown maturity, responsibility and a willingness to go above and beyond in every task entrusted to him.

I firmly believe that if given the opportunity to receive financial assistance, scholarship support, or any form of educational aid, he will maximize such support and continue to excel in his chosen field. His dedication, ambition, and strong work ethic assure me that he will achieve success and become a valuable asset to any institutions or any profession he chooses to pursue.

Without reservation, I highly recommend Mark **Lawrence Ortega** for any scholarship, educational assistance program, or academic opportunity for which he is applying. I am confident that he will continue to distinguish himself through his outstanding performance and exemplary character.

I am hoping for your preferential attention to this request, I remain very.

Respectfully yours,

MEAH GRACE S. SILLON
JHS Adviser
