To the Scholarship Selection Committee:

I am pleased to recommend Princess Mae M. Dizon for your scholarship program. I have known Princess for many years, beginning when she was still in elementary school, and I have also had the opportunity to be with her in our church community. Because of this, I have personally witnessed her growth throughout the years. She is a respectful, kind, and responsible young person who has always shown willingness to learn and improve herself.

In our church, I have seen Princess willingly participate and serve, particularly through reading during our gatherings. I have encouraged her to become more confident in using her abilities, and I am happy to see how she continues to grow in confidence and responsibility. She carries out the tasks entrusted to her with sincerity and respect, and she treats the people around her with kindness and consideration.

I believe that Princess deserves the opportunity to receive this scholarship because she is someone who values her education and strives to become a better person. Having known her
