Recommendation

I am honored to recommend Ms. Audrey Adion for the Peace Corps Alumni Foundation for the Philippine Development (PCAFPD) Scholarship. As the Secretary of the Knights of the Altar 2026 under the Immaculate Conception Cathedral Parish, and a fellow altar server for nearly four years, I have had the privilege of witnessing Audrey's dedication, character, and service both in the Church and in the wider community. Currently a Grade 12 Arts and Design student majoring in Music, Audrey combines academic diligence with artistic talent, humility, and kindness, making her a truly outstanding candidate.

Within the parish, Audrey has consistently shown reverence, discipline, and reliability in her altar service. She approaches her responsibilities with sincerity and joy, reflecting her deep faith and commitment to serving others. Beyond the Church, she actively participates in community initiatives such as *Pista y Kagueban*, clean-up drives, and *Save the Bays* campaigns. Her involvement in these projects demonstrates her sense of civic duty, environmental awareness, and willingness to contribute meaningfully to society. Audrey does not simply join these activities—she engages wholeheartedly, showing leadership, teamwork, and perseverance.

What makes Audrey exceptional is her balance of academic pursuit, artistic passion, spiritual devotion, and social engagement. She is hardworking, compassionate, and respectful, treating others with empathy and kindness. I am confident that with the support of the PCAFPD Scholarship, Audrey will continue to grow as a leader, artist, and servant of society, embodying the values of the program and making a lasting impact in her chosen field and community. It is with full trust and admiration that I recommend her for this scholarship.
