RECOMMENDATION LETTER

September 23, 2026

To the Scholarship Selection Committee

Peace Corps Alumni Foundation for Philippine Development

To Whom It May Concern:

I am pleased to write this letter in support of Shon Soc T. Colinao, a student whom I have had the opportunity to teach, guide, and observe throughout his time at Justice Cecilia Munoz Palma High School. Based on my experience with him, I can attest to his good character, dedication, and commendable performance in his academic and school-related responsibilities.

Shon is a hardworking and responsible student who consistently shows a positive attitude toward learning. He takes his assigned tasks seriously and makes a sincere effort to complete his responsibilities to the best of his ability. His willingness to learn, accept guidance, and improve himself reflects a level of maturity and determination that deserves recognition.

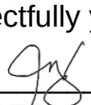

What particularly stands out about Shon is his sense of responsibility and commitment to his duties. He demonstrates respect toward his teachers, classmates, and other members of the school community. He is also willing to participate and contribute whenever given the opportunity. His conduct and work ethic show that he understands the importance of discipline, cooperation, and perseverance in achieving his goals.

As his teacher, I have seen his potential to grow and succeed when given proper guidance and opportunities. More than his academic abilities, Shon possesses qualities such as respectfulness, perseverance, dependability, and willingness to improve—qualities that can help him become a responsible and productive individual in the future.

For these reasons, I am honored to give my strong endorsement of Shon Soc T. Colinao. I believe that he has the character, determination, and potential to face new challenges and make meaningful contributions wherever he may continue his studies or pursue his future endeavors. I sincerely hope that he will be given the opportunity to further develop his abilities and demonstrate what he can accomplish.

I am confident that Shon will carry with him the values, discipline, and positive work ethic he has developed during his time in school.

Respectfully yours,
