Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

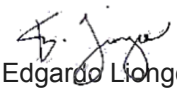

It is a true honor for me as Barangay Kagawad to write this recommendation for Eyezha Q. Ogalina. I have known her family over the years, and I can say from the bottom of my heart that kindness and generosity run deep in their blood.

Long before the pandemic hit, her family was already reaching out to help neighbors in need. When the hard times of the pandemic hit, they did not hesitate to step up and distribute relief goods to the people in our community. Eyezha, even as a naturally shy person, was always right there beside her granduncle (her grandfather's brother), helping him hand out aid and support to families who were struggling.

Even today, Eyezha's leadership is defined by this humble service. When no one is watching, she continues to help behind the scenes. She maintains high academic standards while managing financial hardships at home, showing a strength that deeply moves me as a local kagawad.

Eyezha embodies everything the PCAFPD scholarship values: academic excellence, integrity, and a deep-rooted commitment to helping others. I support her application with all my heart.

Sincerely,

Kag Edgardo Liongco Jr
