Recommendation: I highly recommend **Roselyn F. Maulaha** of Tarusan National High School for the PCAFPD Scholarship. Roselyn is one of my top students in 12-Academic 1 — academically excellent, consistent honor student, and a natural leader in class. She actively leads in group tasks, peer tutoring, and school community activities in Barangay Tarusan, showing strong commitment to service and leadership despite personal challenges. What makes her truly deserving is her **financial need and determination**. She comes from a low-income family in Tarusan, Bataraza, Palawan. Her family struggles to support her daily school expenses and her dream of pursuing college. Despite this, she never misses class, always submits quality outputs, and helps classmates who are struggling. This scholarship will be a great help for her educational needs — allowance, projects, and college preparation. It will not be wasted, because **Roselyn** is responsible, hardworking, and values education as her key to help her family and community. She deserves this educational assistance because she has the **need, the grades, and the heart to serve**. I give her my highest recommendation.

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.
