Dominican School of Cebu Inc.

TO THE PARENTS OR GUARDIAN

Marks alone do not give the reason for unsatisfactory work. For this reason, the school seeks your cooperation so that both you and the teacher may work together for the good of your child and the school. You are invited to visit the school and confer with the teacher and the Principal over any difficulty.

This report card is issued after every grading period for your information and guidance. When grades are not satisfactory, parents should not fail to consult with the Principal about the matter.

Parents are always welcome to our office whether to seek advice, offer suggestions, or present complaints. During class hours, however, no one is allowed in the vicinity of the classrooms. Teachers may be seen only before or after class hours after arrangements have been made through the Office of the Principal.

The School reserves the right to dismiss, at any time, a student who has failed to give satisfactory evidence of sincerity of purpose and active cooperation with school authorities where the requirements of conduct and academic work are concerned.

This report card must be free from any alteration or erasure, but should there be any, please verify authenticity at the Principal's or Registrar's office.
