RECOMMENDATION

To the PCAFPD Scholarship Selection Committee:

I am pleased to recommend Star Cambel as her class adviser and General Mathematics teacher a candidate for the PCAFPD Scholarship. I have known Star as my student in class, where I have observed her to be a responsible, diligent, and committed learner. She consistently demonstrates a positive attitude toward her studies and takes her academic responsibilities seriously.

Star is also an active and supportive student who willingly participates in school activities and contributes positively to her classmates and school community. She shows determination in accomplishing the tasks entrusted to her and strives to perform to the best of her abilities. Her willingness to cooperate, support others, and remain committed to her responsibilities demonstrates qualities that are valuable in a student leader.

Throughout the time I have known her, Star has shown perseverance, discipline, and a strong desire to improve herself. She faces her academic responsibilities with dedication and gives her utmost effort in everything she undertakes. I believe that her responsible character, diligence, active participation, and potential for leadership make her deserving of consideration for the PCAFPD Scholarship.

I highly recommend Star Cambel and am confident that, if given the opportunity, she will continue to grow academically and personally while making meaningful contributions to her school and community. I can also make this more personal and heartfelt, or make it stronger and more impressive for a scholarship application while keeping it truthful to your experience as her teacher.

Respectfully,

MARISTEL S. GOMEZ
