Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am writing with deep respect to recommend Kryscel Santos. In the nearly two months she has worked with me, what has stood out most is her quiet strength and maturity. With both of her parents currently facing unemployment, Kryscel stepped up without hesitation to shoulder the cost of her college allowance. Facing real financial hardship head-on, she brings an incredible work ethic and an inventive, creative energy to our everyday tasks.

Her leadership is grounded in genuine empathy and initiative. Kryscel shows up for people. She has a natural instinct for spotting where help is needed and working to make those around her feel supported and valued. The uphill battles she faces at home fueled a sincere desire to be of service, grounding her leadership in the real, everyday struggles of her community and driving her ambition to lift others.

Kryscel embodies to be deserving of this scholarship through the integrity, perseverance, and dedication she brings to everything she touches. She wants this education to build a meaningful, self-sustaining future where she can continue giving back to the community and family that believe in her. I recommend her with complete confidence, knowing she will make the PCAFPD community proud.
