To the Scholarship Selection Committee:

I am honored to recommend Shane Suyu for your scholarship program. As a community leader, I have come to appreciate the importance of young people who are willing to serve others, take initiative, and contribute to the improvement of their community. Shane is one such young individual who has demonstrated these qualities through her leadership and volunteer experiences.

One of Shane's notable experiences was her involvement as an SSLG President during elementary school, where she led the project "Malinis na Kapaligiran, Malinis na Kalusugan." Through this initiative, she encouraged fellow students to work together in cleaning and maintaining their school environment. Her willingness to take responsibility and motivate others demonstrated that leadership is not simply about having a position, but about using that position to create positive change.

Shane has also participated in a community outreach activity with her family, where they provided free meals to people in the community and food for stray dogs and cats. This experience reflects her compassion and willingness to extend help to those in need. Her actions demonstrate that she understands the value of service and that even simple acts of kindness can have a meaningful impact.

What makes Shane deserving of this opportunity is not only her accomplishments, but also the

values behind them. Her experiences have helped develop her responsibility, compassion, teamwork, initiative, and sense of service. I believe she has the potential to continue growing as a leader and to use her education not only for her own success, but also to contribute to her community and country.

I wholeheartedly recommend Shane Suyu for this scholarship. I am confident that the opportunity will help her further develop her potential and inspire her to continue serving others. Respectfully,
