Recommendation

I am pleased to recommend Abue, Jhero Zander A, my student at GMINHS, for the Peace Corps Alumni Foundation for Philippine Development (PCAFPD) Scholarship. As his class adviser, I have had the opportunity to observe his growth, dedication, and commitment to his studies. He demonstrates a sincere desire to pursue his education and improve his future opportunities. I believe that his determination to continue learning, coupled with his willingness to work toward his goals, makes him a deserving candidate for this scholarship. I am confident that, with the right support and opportunities, he can further develop his academic abilities, leadership potential, and sense of responsibility.

I strongly support his scholarship application, as I believe that this opportunity would significantly help him pursue his educational aspirations and ease the financial challenges associated with continuing his studies. Beyond academic achievement, I believe that education should also inspire young people to become responsible, compassionate, and service-oriented members of their communities. I am hopeful that, through the assistance of the PCAFD Scholarship, he will be empowered to reach his full potential and eventually use his knowledge and skills to contribute meaningfully to society. I wholeheartedly recommend him for your kind consideration and sincerely hope that he will be granted this valuable opportunity.
