Current School: Salvador National High School

Recommendation

TO WHOM IT MAY CONCERN:

I am Hon. Jhonny S. Galacal, Barangay Kagawad of Barangay Inudaran II. I am writing this letter to support the scholarship application of **Princess Aisah M. Usop**.

I have known Aisah as a respectful, responsible, and hardworking young person in our community. She is willing to help when needed and participates in activities that benefit our community. She shows concern for others and is willing to give her time and effort to help.

I understand that her family is facing financial challenges, and I believe that this scholarship would greatly help her continue her education. She is determined to finish her studies and build a better future for herself and her family.

I hope that you will consider her application and give her the opportunity to continue her education.

Thank you for your consideration.
