Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

I am pleased to recommend Princess Shameicah Nicole B. Blam, my current Grade 12 ABM student at Kidapawan City National High School, for the PCAFPD Scholarship Program. During the first term, she achieved an average of 96% General Weighted Average and maintained perfect attendance. She is also a class officer, and I have seen her become a responsible and active student in our class. Princess is hardworking and knows how to manage her studies and other responsibilities. She does well in reporting and public speaking and always tries to prepare for her tasks. She also takes part in class activities and often helps lead her classmates and organize their work. When problems come up, she tries to find ways to solve them and works well with others. I believe that her hard work and determination will help her make good use of this scholarship and continue her studies.
