Recommendation

Dear Honorable Members of the Committee,

It is my distinct honor to highly recommend Kate Guinto for your scholarship program.

I have known Kate as a student who demonstrates exemplary academic dedication, good moral character, and a strong desire to pursue her education despite financial challenges. She is respectful, responsible, and diligent in her studies. She consistently submits her work on time, participates actively in class, and shows positive attitude toward learning.

Beyond academics, Kate is known for her humility, honesty, and willingness to help others. She is well-liked by her peers and teachers alike. She understands the importance of education and is determined to use this opportunity to build a better future for herself and her family.

Kate comes from a family that is truly in need of financial support, and I believe she deserves any educational assistance you can provide. Granting her this scholarship would not only ease her family's burden but would also be a worthwhile investment in a promising and hardworking student who will not waste the opportunity given to her.

For these reasons, I give her my full and unconditional recommendation. I am confident that she will uphold the values of your scholarship program and will continue to strive for excellence. Your assistance will be a great help not only to her but to her family.

Respectfully yours,
MYCA JECHEL C. OLPINDO
