Recommendation

As the Pastor of Masaguisi Church of Christ, I am writing this recommendation letter with full confidence in support of Joddy Madeja's application for the PCAFPD Scholarship. Having known Joddy for five years through her active participation in our church and community programs, I have personally witnessed her strong moral character, leadership potential, and dedication to serving others.

She has consistently demonstrated exceptional leadership within our youth ministry and community outreach programs. As the Church Youth President, she has led various initiatives, including community clean-up programs and music tutorials for her fellow youths. She leads with humility, integrity, and passion, inspiring fellow young people to contribute positively to the community and to serve others with compassion.

Despite facing financial challenges, Joddy has maintained commendable academic performance through perseverance and hard work. Her dedication to excellence is evident not only in her studies but also in the way she balances her responsibilities at home, in school, and in the church. She has shown maturity and determination in fulfilling her commitments while continuing to serve those around her.

I firmly believe that Joddy embodies the principles and goals of the PCAFPD. The financial assistance provided by this scholarship would significantly ease her financial burden and empower her to pursue and complete her education. With her character, determination, and commitment to service, I believe she will continue to make a meaningful contribution to her community and, eventually, to society as a whole. I wholeheartedly recommend Joddy Madeja for the PCAFPD Scholarship without reservation. I am confident that she will make good use of this opportunity and continue to demonstrate the values of service, leadership, and perseverance.

Should you require any further information regarding her character or qualifications, please feel free to contact me.

Sincerely,
Leody J. Formento
