Recommendation

Dear Madam/Sir,

I am honored to recommend Ehra for the PCFAPD Scholarship. As an adviser, I have seen her efforts to meet academic responsibilities and participate positively in the school community.

Ehra demonstrates determination and a willingness to improve. The student approaches school responsibilities with seriousness and shows respect toward teachers and classmates. Ehra is also able to work with others and contributes to group activities in a cooperative and responsible manner.

One of Ehra's notable qualities is the willingness to take responsibility and persevere when faced with challenges. These qualities are important foundations for effective leadership and community involvement.

I believe that supporting Ehra's education through this scholarship would help provide opportunities for continued academic and personal development. I confidently recommend Ehra for consideration for the PCFAPD Scholarship.

Respectfully,

Marry Grace C. Solas
Adviser
