Recommendation

PCAFPD scholars are chosen on the basis of their financial need, academic performance, and commitment to community service and leadership. As the applicant's reference, please describe the applicant's demonstrated leadership skills, accomplishments, and impacts on your community and any other relevant information you feel the committee should know about the applicant.

As Ashlie's church leader, I have had the opportunity to know her personally and witness her character, dedication, and commitment to her studies and service. I have seen her grow as a responsible and hardworking young person who remains respectful, humble, and determined despite the challenges she faces.

Ashlie is an active member of our church and willingly participates in church activities and services. She demonstrates a sincere willingness to help others and shows respect and kindness toward the people around her. Her involvement in church reflects her strong sense of responsibility and her desire to serve her community.

I have also witnessed Ashlie's determination to pursue her education and achieve her goals. Despite coming from a modest family, she continues to work hard in her studies and remains committed to building a better future for herself and her family.

Based on my experience with Ashlie, I believe that she is a deserving candidate for the PCAFPD scholarship. Her perseverance, good character, commitment to service, and dedication to her education make her worthy of this opportunity. I sincerely recommend her for this scholarship and hope that she will be given the support she needs to continue her education and achieve her goals.
