Dear Peace Corps Scholarship Selection Committee,

It is my pleasure to write this letter in support of Reanne Almiñe's application for the Peace Corps Scholarship. As her former social worker at Bahay Tuluyan Foundation, I had the opportunity to know Reanne and witness her growth, determination, and commitment to her education and community.

During her time at Bahay Tuluyan, Reanne actively participated in our programs and activities. She consistently fulfilled her responsibilities, showed respect for others and her surroundings, and willingly took part in activities that encouraged teamwork and community involvement. She also demonstrated leadership through her role as a youth facilitator, where she had opportunities to engage with and support other young people.

Reanne is a bright, responsible, and motivated young woman. She is currently in Grade 12 while also working part-time at Makabata Café and Likhaya. Despite the demands of balancing school, work, and other responsibilities, she continues to work toward her goals with determination and perseverance.

Since her discharge from Bahay Tuluyan, Reanne has been living independently and continuing her education. It has been meaningful to see her gradually develop greater confidence and responsibility as she takes steps toward building her future.

I believe that Reanne has the potential to benefit greatly from the Peace Corps Scholarship. Her intelligence, willingness to learn, leadership experience, and commitment to her community are qualities that I believe will help her make good use of this opportunity and continue contributing positively to others.

It is with sincere support that I recommend Reanne for the Peace Corps Scholarship. I hope that her application will be given favorable consideration and that she will be given the opportunity to further pursue her education and aspirations.

Lynette Castilar
