PCAFPD SCHOLARSHIP COMMITTEE
Philippine Cultural Education and Development Foundations

SUBJECT: COMPREHENSIVE ACADEMIC AND CHARACTER RECOMMENDATION FOR MR. ABDUL HAFID M. MACA-ARAB

To the Members of the Selection Committee:

As the School Principal of Mindanao State University - Taraka Community High School, it is my distinct privilege and honor to submit this comprehensive recommendation letter in support of **Mr. Abdul Hafid M. Maca-arab** for his application to the PCAFPD Scholarship Program. Throughout his tenure at our institution, Abdul Hafid has continuously demonstrated the highest standards of scholastic integrity, personal accountability, and community awareness, distinguishing himself as one of the most exemplary student leaders of his cohort.

Academically, Abdul Hafid possesses a sharp intellectual curiosity and an unyielding commitment to conceptual excellence. He consistently maintains a top-tier standing within his class, displaying strong critical thinking skills across rigorous academic tracks. Beyond simple classroom benchmarks, he has actively stepped forward as a student leader who spearheads peer tutoring clubs, bridging educational gaps among his peers. His natural capacity to lead with profound humility, profound integrity, and intentional focus makes him an invaluable asset to our faculty and his fellow students alike.

Our educational community works closely with many bright young minds, yet Abdul Hafid’s sheer resilience and positive demeanor in the face of local socioeconomic hurdles remain truly commendable. He effortlessly balances heavy academic responsibilities with an admirable, service-oriented work ethic on campus. He is deep-rooted in his long-term goal of using his education as a modern instrument to uplift others, aligning perfectly with the primary criteria of the PCAFPD committee: demonstrated financial need, exceptional academic promise, and authentic community leadership.

I am fully confident that providing Abdul Hafid with this scholarship will serve as a transformative catalyst, allowing him to successfully complete his degree and emerge as a valuable community pillar in Lanao del Sur. He possesses my highest, unconditional endorsement for his exceptional character, intellectual potential, and civic dedication.

Respectfully yours,

PROF. NOROLAIN M. GUNDUL
School Principal
MSU - Taraka Community High School
