RECOMMENDATION LETTER

To Whom It May Concern:

I am pleased to recommend **Noveann Heryiel T. Ledesma** for opportunities that recognize and further develop youth leadership, innovation, community involvement, and public service.

Noveann has demonstrated commendable dedication and commitment as a **Youth Leader of the Sangguniang Kabataan (SK) of Barangay San Luis** and as the **Youth Secretary of the Peace Village 3 Youth Council**. Through these roles, Noveann has actively contributed to initiatives that promote youth participation, community engagement, and the development of programs that respond to the needs and concerns of young people.

One of Noveann's notable accomplishments was his recent victory in the **Innovation for Impact Challenge** held during the **SK San Luis Capability Training Program**. In this challenge, Noveann demonstrated his creativity, critical thinking, and problem-solving abilities by developing an innovative solution to address challenges related to waste collection and management.

His proposed solution, **TechO**, is an all-in-one waste analytics and community-centered platform designed to improve the efficiency and accessibility of waste collection services. The concept tracks **trash truck capacity percentages** and provides **real-time arrival schedules through notifications and SMS**, allowing residents to better anticipate waste collection schedules

helping communities make more informed and efficient use of waste management services. This innovative idea reflects Noveann's ability to identify a real community concern and transform it into a practical, technology-driven solution.

His achievement in the Innovation for Impact Challenge is a testament to his willingness to think beyond conventional approaches and explore innovative ways to improve the community. More importantly, it demonstrates his understanding that youth leadership is not only about participating in activities but also about identifying problems, developing solutions, and taking initiative to create meaningful change.

As a youth leader, Noveann has also shown a strong sense of responsibility, discipline, teamwork, and commitment to service. His roles in both the Sangguniang Kabataan of Barangay San Luis and the Peace Village 3 Youth Council have given him valuable experience in leadership, communication, organization, and community engagement.

Noveann's dedication to empowering young people and contributing to the community makes him a promising youth leader. His combination of leadership experience, innovative thinking, and commitment to addressing community concerns demonstrates his potential to continue making meaningful contributions wherever he is given the opportunity to serve.

I therefore highly recommend **Noveann Heryiel T. Ledesma** for opportunities that will allow him to further develop his leadership and innovation skills and continue his commitment to youth and community development. I am confident that he will bring the same dedication, creativity, responsibility, and enthusiasm to his future endeavors.

Should you require further information regarding Noveann's leadership experience and involvement, please feel free to contact me.
