Current School: Olo National High School

Recommendation

I am pleased to recommend Jhelyn Saure for the PCAFPD Scholarship. Through her participation in activities organized by the Sangguniang Kabataan at both the barangay and municipal levels, I have seen her willingness to take part in programs that encourage youth involvement and community participation. She participated in activities where she shared her creativity and contributed her time and effort. Her participation reflects her willingness to engage in youth-centered programs and be part of activities that bring young people together in the community.
