PCAFPD Scholarship Program
Peace Corps Alumni Foundation for the Country's Development
Philippines

Dear Members of the PCAFPD Scholarship Selection Committee:

I am pleased to recommend **Abishag C. Basiwal**, a HumSS 12B student, for consideration for the **PCAFPD Scholarship Program**. As the School Head of Natonin Stand Alone Senior High School, I have had the opportunity to observe and appreciate her character, dedication, potential, and commitment to her education and to the welfare of others.

Basiwal is a promising young Filipino who demonstrates a strong desire to pursue higher education and develop her knowledge and skills. She has shown qualities that are important in a future community leader—responsibility, perseverance, respect for others, willingness to learn, and a sincere concern for the people around her. I believe that she has the potential not only to succeed academically but also to use her education in meaningful ways that can contribute to the development of her community and the Philippines.

The opportunity provided by the PCAFPD Scholarship Program would be of great value to Basiwal as she pursues her educational goals. More importantly, I believe that she will make good use of this opportunity by continuing to develop herself and, in the future, sharing her knowledge, skills, and experiences with others. Her aspirations are consistent with the spirit of the program—to provide Filipinos with opportunities for education while encouraging them to become productive and responsible contributors to Philippine development.

I also appreciate the commitment of the former Peace Corps Volunteers who serve as the primary funders of this scholarship program. Their continued support provides
