Recommendation

I am pleased to recommend Lizette A. Chua for the PCAFPD Scholarship. I had the opportunity to teach Lizette during her time as a student at L.E.A.D. Academy of Urbiztondo, Inc. where I witnessed firsthand her dedication to academic excellence, leadership, and service to the school community.

Lizette was one of the top-performing students in my class. She consistently demonstrated diligence, responsibility, and a strong commitment to her studies. Aside from her academic achievements, she was also actively involved in various school activities and programs of our school. Her willingness to participate, share her skills, and assist in school activities made her a valuable member of the school community.

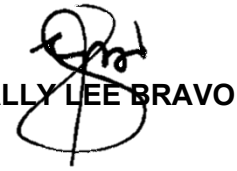

Her leadership abilities were further demonstrated when she served as Classroom and Student Supreme Council President during the school year 2024–2025. In this role, she represented her fellow students and took an active part in supporting school programs and activities. She demonstrated responsibility, initiative, cooperation, and the ability to work with others toward common goals.

Lizette is a well-rounded and talented student who has consistently shown that she is willing to use her abilities not only for her own success but also to benefit others. Her academic performance, leadership experience, active participation, and commitment to service make her a deserving candidate for this scholarship.

As her former teacher, I believe that Lizette possesses the academic ability, leadership qualities, sense of responsibility, and commitment to service that make her a deserving candidate for the PCAFPD Scholarship. I am confident that she will continue to pursue her education with determination and will make good use of the opportunities provided to her.

Thank you for taking the time to consider Lizette's application. I sincerely hope that you will give her the opportunity to continue her education and further develop her potential as a student and future leader.
